Please bring your own drawing and painting materials, although I have some supplies for sale. You may use watercolour, coloured pencil or graphite. I will have some plant material, but please bring your own if you have something special in mind.

Each workshop caters for a limited number of students so that all get personal attention. Payment in full will secure you an available place on a workshop. You will lose 30% of your payment if you cancel less than two weeks before the workshop. You cannot transfer the payment to another workshop at this stage. If I cancel, I will of course give you a full refund.
